To the Citizens of the Town of Enfield

Enfield can look back on 1995 with a great deal of pride. It was a year when adversity brought to the forefront what it is that makes this Town and its citizens so admirable.

Let's start with the adversity. For almost the entire year, the Town was without the services of a Town Administrator, a position most of us don't appreciate until it is empty. Fortunately, other employees in Town government worked above and beyond the call of duty to fill the vacuum. Your Board of Selectmen is proud of each and every one of them.

Another source of pride is the volunteerism that also helped to fill the void. A decrepit Huse Park was converted into a state-of-the-art playground that meets all safety codes and which should provide many years of happy play for our young children. This would not have been possible were it not for Scott Slogic and his band of unpaid workers.

For the first time, Enfield has a "Directory of Services," an attractive booklet that lists and describes all our town has to offer to residents and visitors. Complete with maps and charts, this handy reference was the work of Mary Quintana and the Enfield Community Development Committee.

The summer of 1995 saw a proliferation of color in the Village. Those barrels of flowers were the work of Becky Powell and the Enfield Garden Club she initiated. Mrs. Powell is also responsible for the frostily delightful carol sing this Christmas.

Been for a walk on the Bicknell Brook Trail? If you have, you'll appreciate the hundreds of hours volunteer Alan Strickland spent building and maintaining this woodland walkway.

Let's also tip our hats to Carl Patten and his Bridge Committee as well as Jane Plumley and the Shaker Recreation Park Committee. The fruits of their labors should be visible in the very near future.

The year also saw our firefighters spending hours and hours constructing an extension on the Union Street Station and a bathroom at the Enfield Center Station .

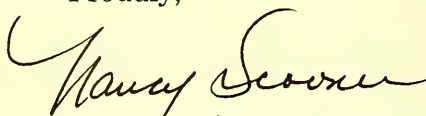

We should also take pride in all the volunteers who serve on the various Town Boards and Committees. Your Selectmen would like to brag that we did not receive a single complaint about the conduct of any one of these people. Without exception, they treated every citizen who came before them with respect and dignity. We trust that they have set a standard and example for all who follow in their footsteps.

1995 was also notable for the completion of the new Town well, a high-capacity system that is pumping some of the purest water this side of the Rockies. As a result, Enfield's Commercial District should be much more enticing to business developers.

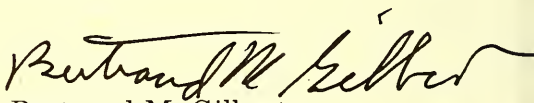

Last, and probably most important, Enfield became a bit safer for our schoolchildren this year with the completion of the sidewalk leading to the Village School. It should provide their parents with much-needed peace of mind.

Yes, we look back at 1995 with pride, but we look forward to 1996 with optimism. Thanks to you, the citizens of Enfield, the Town has a bright future.

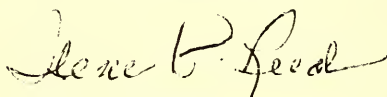

Proudly,

Nancy M. Scovner

Bertrand M. Gilbert

Ilene P. Reed

To the Voters of Enfield

This year the Enfield Budget Committee has worked closely with the Board of Selectmen on a number of items.

The first item--Pay and Classification Study. At the recommendation of the Board of Selectmen, the Budget Committee accepted the recommended job classifications and the associated pay adjustments. The committee felt that it was time to re-evaluate the jobs and adjust the pay levels to better reflect the pay scales in the Upper Valley. It is our view that this will keep our work force stable, and reduce turnover in employment.

The second item--the installation of an up-to-date computer system to make town government more efficient and allow various town offices to communicate better. Throughout the budget we have included funds in all administrative departments to integrate the computer services in town, through networking and common programs. By doing this the town should be able, in the future, to save money by reducing overtime and not having to add additional personnel.

This year one area of the budget was significantly increased; "Welfare Funds." Because the Federal and State governments have reduced fuel assistance and other assistance, it has fallen to the towns to pick up the shortfall. At the recommendation of the Welfare Director, the Budget Committee has increased the Welfare budget by almost \$25,000 over actual 1995 expenditures.

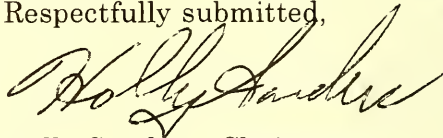

After carefully reviewing the "building maintenance programs" on town property, the Budget Committee recommended that building maintenance be kept to a minimum. It was the view of the committee that a review of all town buildings be undertaken to consolidate the town's needs. A Town Facility Study Committee has already begun to review town property, and would like input from members of the community. Pending the outcome of this review the Budget Committee would re-examine "building maintenance programs" next year.

The committee also felt that the Police Department should replace one cruiser by trading in two older cruisers and concurrently acquiring a medium size vehicle for detective and administrative work. With the addition of a sixth police officer the Enfield Police force will be fully staffed for 24-hour coverage. Two cruisers can be used for patrol and the smaller vehicle will provide the department with administrative transportation and, at the same time, reduce expenses incurred by a larger cruiser.

The Budget Committee also took a "NOT RECOMMENDED" position on two items in the budget: First, the **"Jaws of Life,"** the Budget Committee felt that since other towns in the Mutual Aid District have the Jaws, adding them to Enfield would not substantially increase services the Fire Department already has. Second, the **"Shaker Recreation Park."** On this item the Budget Committee was divided, with the majority "not recommending" the increase in expenses. The feeling of the Budget Committee was that since the current work has not been completed, the additional work could be postponed until next year.

Finally, the Budget Committee placed some funds in the Capital Reserve accounts for Buildings, Fire, Highway and Police. The consensus of the committee is that putting these funds away now will reduce the need to borrow in the future, thus not incurring interest expenses and projecting debt to future years.

Respectfully submitted,

Holly Sanders, Chairwoman
Enfield Budget Committee

Committee members: Dominic Albanese, James C. Gerding, Sr., Gayle Hulva, Keith Oppenneer, Walter C. Paine, Evelyn Palmer, Donald E. Roberts, Holly E. Sanders, Bill Stevenson & Ex-Officio member, Nancy Scovner

State of New Hampshire

Grafton S.S. Town of Enfield

To the inhabitants of the Town of Enfield, in the County of Grafton, qualified to vote in Town affairs:

Take notice and be warned that the Annual Town Meeting of the Town of Enfield, New Hampshire, **will be held on two days as follows:**

On Tuesday, March 12, 1996, at the Enfield Elementary School, U.S. Route 4, Enfield, there will be voting only by Official Ballot, for the election of Town Officers and all other articles requiring vote by Official Ballot.

Polls will be open at 10:00 a.m. and close at 7:00 p.m. There will be no opportunity to vote by ballot on Articles 1 through 11 at the second session of the Town Meeting. After the polls close at 7:00 p.m., the ballots will be counted.

On Saturday, March 16, 1996, Articles 12 through 30 will be presented, discussed and acted upon beginning at 10:00 a.m. at the Enfield Elementary School, U.S. Route 4, Enfield.

Article 1. To choose by ballot to serve for:

Six years: One Supervisor of the Checklist

Three years: One Selectman
One Town Clerk
One Treasurer
One Trustee of Trust Funds
One Cemetery Trustee
One Zoning Board of Adjustment Member
One Fire Ward
One Library Trustee
Two Recreation Commission Members
Three Budget Committee Members

Two Years: One Budget Committee Member
One Moderator

Article 2. Pursuant to a petition of twenty-five (25) or more legal voters:

Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town?

Yes ☐

No ☐

Article 3. Pursuant to a petition of twenty-five (25) or more legal voters:

Do you favor adoption of the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated?

Yes ☐

No ☐

Article 4. Pursuant to a petition of twenty-five (25) or more legal voters:

Shall we modify optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$40,000; for a person 75 years of age up to 80 years, \$60,000; for a person 80 years of age or older, \$80,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$70,000 excluding the value of the person's residence.

Yes ☐

No ☐

Article 5. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows:

In order to address the parking issues in the Community Business District as it pertains to the structures that pre-date zoning and non-conforming lots, amend Article IV, Section 409 by adding as #13: In the Community Business District, a Special Exception may be granted for parking for new uses in structures which pre-date the adoption of this Ordinance and non-conforming lots.

And also amend Article IV, Section 403.4 by adding as #e: Parking only as described in Section 409.13.

Yes ☐

No ☐

Article 6. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows:

To further clarify the Ordinance amend Article IV Section 408.1 R1, R3 and R5 Signs which reads:

For any home occupation or other approved use, one free standing or building mounted sign per lot, not exceeding five (5) square feet, is allowed which announces the name and address and/or the profession of the occupant of the premises on which the sign is located. For churches and institutional buildings, not more than one bulletin, announcement board or identification sign is permitted, none of which may exceed twelve (12) square feet nor may it be located nearer than twelve (12) feet to right-of-way or lot line. Non-profit organizations may be granted additional sign area up to 24 square feet by special exception if the Board determines that the circumstances, unique to the structure, use or access and the area in which the structure use access is located exist; the additional sign area is necessary or desirable for public information and/or safety; and the additional sign area is compatible with the area in which the sign will located. A temporary "For Sale" or "For Rent" sign not exceeding five (5) square feet in area is permitted per lot or building.

To read:

A. Home occupations and other approved uses are permitted one (1) free-standing or building-mounted sign per lot that conforms to the following specification:

1. Sign may not exceed five (5) square feet.
2. Solely announces the name, address and/or the profession of the premises on which the sign is located.

B. Churches and institutional buildings are also permitted one (1) bulletin, announcement, or identification sign per lot that conforms to the following specifications:

1. Sign may not exceed twelve (12) square feet.
2. Sign may not be located nearer than twelve (12) feet to a right-of-way or lot line.

C. Non-profit organizations may be granted additional sign area up to twenty-four (24) square feet by Special Exception if the Board determines that:

1. The circumstances of the structure, use, or access and the area in which the structure use or access is located are unique.
2. The additional sign area is necessary or desirable for public information and/or safety.
3. The additional sign area is compatible with the area in which the sign will be located.

Yes ☐

No ☐

Article 7. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows:

To allow a common "For Sale" or "For Rent" sign as a temporary sign amend Article IV, Section 408.3 by adding as #F: A temporary "For Sale" or "For Rent" sign is permitted per building or lot in the R1, R3 and R5 Districts in which the sign may not exceed five (5) square feet and in the CB and C/I Districts in which the sign may not exceed twelve (12) square feet.

Yes ☐

No ☐

Article 8. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows:

To allow land posting signs amend Article IV, Section 408.4 by adding as #F: Signs for the posting of land.

Yes ☐ No ☐

Article 9. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows:

To allow a larger sign in the Commercial/Industrial District along the I-89 corridor amend Article IV, Section 408.2 and add as #F: In the C/I District, any sign permitted in the above paragraphs is permitted. In addition, each business lot, site, tract, shopping mall, or business center may display one free-standing sign. The free-standing sign not to exceed twenty-five (25) feet in height from the ground level, not to exceed one hundred (100) square feet, and not to be located nearer than twelve (12) feet from the street lot line.

Yes ☐ No ☐

Article 10. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows:

Correct spelling error in Article IV, Section 408.2C amend "shipping mall" to read shopping mall.

Yes ☐ No ☐

Article 11. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the town zoning ordinance as follows:

To further clarify the definition of a structure amend Appendix A which reads: Any temporary or permanently constructed, erected or placed material or combination of materials in or upon the ground, including, but not limited to buildings, manufactured homes, radio towers, sheds, and storage bins, storage tanks, portable carports, swimming pools, tennis courts, parking lots, signs, roads and driveways with a man-made surface, but not waste disposal facilities. Fences, culverts, driveways, roads, mailboxes, bobhouses, stonewalls and essential services are structures, but are exempt from dimensional and buffer zone requirements.

To read: Any temporary or permanently constructed, erected or placed material or combination of materials in or upon the ground, including, but not limited to buildings, manufactured homes, radio towers, sheds and storage bins, storage tanks, portable carports, swimming pools, tennis courts, parking lots, and signs. Fences, culverts, driveways, roads, mailboxes, bobhouses not exceeding sixty-four (64) square feet, stonewalls, walks, landscaping, subsurface waste disposal facilities and essential services are structures, but are exempt from dimensional and buffer zone requirements.

Yes ☐ No ☐

Article 12. To see if the Town will vote to raise and appropriate the sum of \$2,769,827 which represents the operating budget. Said sum does not include special and all other warrant articles addressed. [Estimated Town tax rate of \$7.90 per \$1,000 valuation.]

Article 13. To see if the Town will vote to raise and appropriate the sum of twenty-eight thousand two hundred dollars (\$28,200) for continued development of the Shaker Recreation Park, to include, but not be limited to, drainage work; parking lot construction; shed renovations; permanent sign, entry divider and emergency access gates, per State of New Hampshire requirements; electric service; and water connection and fountains. This will be a non-lapsing account per RSA 32:2, VI and will not lapse until the park improvements are completed or in 5 years, whichever is less. The Board of Selectmen recommends passage of this article. The Budget Committee does not recommend passage of this article. [Estimated tax impact of \$0.14 per \$1,000 valuation.] (majority vote required)

Article 14. To see if the Town will vote to raise and appropriate the sum of fourteen thousand two hundred dollars (\$14,200) for the purchase of a Jaws of Life. The Board of Selectmen recommends passage of this article. The Budget Committee does not recommend passage of this article. [Estimated tax impact of \$0.07 per \$1,000 valuation.] (majority vote required)

Article 15. Pursuant to a petition of twenty-five (25) or more legal voters:

To see if the Town of Enfield will vote to direct the Selectmen of the Town to rescind the adoption and implementation of the "1995 Pay and Classification Plan." And that implementation of said or modified plan not be effective prior to approval of the Town Budget at the Town Meeting.

Article 16. To see if the Town will vote to discontinue the Lockehaven Cemetery Capital Reserve Fund and Lakeview Cemetery Capital Reserve Fund, also known as the New Cemetery Land Acquisition Capital Reserve Fund, for the purpose of extension of or improvements to the Lockehaven and Lakeview Cemeteries. Said funds (\$67,373.09), with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. Additionally, to establish a Cemetery Capital Reserve Fund for the purpose of cemetery land acquisition for and/or capital improvements to Town cemeteries; and to appoint the Board of Cemetery Trustees as agent to carry out the purposes of this fund. Further, to see if the Town will raise and appropriate up to \$68,500.00, said sum to be offset by existing capital reserve funds, plus interest accrued, and to deposit said sum in the Cemetery Capital Reserve Funds. **The reason for this request is to allow these funds, now dedicated for only two specific cemeteries, to be used for the betterment of all town cemeteries, wherever there is the most need.** The Board of Selectmen recommends passage of this article. The Budget Committee recommends passage of this article. [This action will result in no increase in the tax rate.] (majority vote required)

Article 17. To see if the Town will vote to:

- A. Discontinue the Highway Vehicle Capital Reserve Fund. Said funds (\$827.38), with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund.
- B. To establish a Public Works Vehicle and Equipment Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of acquisition, replacement or major overhaul of capital vehicles and equipment; and to designate the Board of Selectmen as agent to expend.

The Board of Selectmen recommends passage of this article. The Budget Committee recommends passage of this article. (majority vote required.)

Article 18. To see if the Town will vote to ratify the actions of the 1995 Town Meeting where an oversight resulted in an appropriation of \$1,000 into a Police Equipment Capital Reserve Account which we failed to establish prior to the appropriation. A vote in favor of this warrant article will result in the establishment of a Police Equipment Capital Reserve Fund with a balance from 1995 of \$1,000, plus accumulated interest. A vote against this warrant article will result in a return of the previous year's appropriation of \$1,000, plus accumulated interest, to the Town's general fund. Further, to designate the Board of Selectmen as agent to expend. [This was funded by the previous year's taxation and will result in no increase in the tax rate in 1996.] The Board of Selectmen recommends passage of this article. The Budget Committee recommends passage of this article.

Article 19. To see if the Town will vote to raise and appropriate the following sums to be placed in the designated Capital Reserve Funds previously established:

Capital Reserve Account	Appropriation	Estimated Tax Impact
Municipal Buildings	\$15,000	\$0.07
Ambulance	3,000	\$0.02
Fire Vehicle/Equipment	25,000	\$0.12
Revaluation	10,000	\$0.05
Recreation Facility	1,000	\$0.005
Public Works Vehicle & Equipment . .	8,000	\$0.04
Police Equipment	10,000	\$0.05

The Board of Selectmen recommends passage of this article. The Budget Committee recommends passage of this article. (majority vote required)

Article 20. To see if the Town will vote to raise and appropriate up to \$10,000, said sum to be offset by the public sale of surplus Public Works Department vehicles and equipment, and to deposit said sum in the Public Works Vehicle and Equipment Capital Reserve Fund. The Board of Selectmen recommends passage of this article. The Budget Committee recommends passage of this article. (majority vote required.) [This action will result in no increase in the tax rate.]

Article 21. To see if the Town will vote to discontinue the Fire Department Capital Reserve Fund created in 1975. Said funds (\$220.61), with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (majority vote required)

Article 22. To see if the Town will vote to urge our representatives to the General Court of New Hampshire and the United States Congress to pass laws reforming electoral campaign financing, thus returning the political process to the will of the people and encouraging the participation of candidates with great ability and limited means. Measures to accomplish this may include, but not be limited to, the following:

- A. Sharp limitations on all forms of contributions to candidates, including soft money contributions (contributions to political parties);
- B. Maximum spending limits per election linked to geographic and demographic makeup of each state and district, such as \$1.00 per voter;
- C. Sharp limitations on all forms of spending to influence elections, including independent expenditures;
- D. Sharp limitations on contributions to and spending by political action committees; and
- E. Remedies, such as free broadcast time, postal subsidies, and democratic (public) financing, to balance inequities between credible candidates, incumbent and challenger, rich and poor.

Article 23. To see if the Town will vote to authorize the selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 31:95-b.

Article 24. To see if the Town will vote to authorize the Public Library Trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 202-a:4(c).

Article 25. To see if the Town will vote to authorize the selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

Article 26. To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

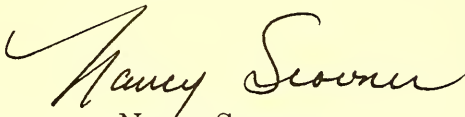

Article 27. To see if the Town will vote to authorize the selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, pursuant to RSA 80:80, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks.

Article 28. To see if the Town will vote to authorize the selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided such street has been constructed to applicable town specifications as determined by the selectmen and their agent.

Article 29. To see if the Town will vote to authorize the selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

Article 30. To hear the reports of agents, auditors, committees, or any other officers heretofore chosen and pass any vote relating thereto.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Enfield
Enfield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Enfield as of and for the year ended December 31, 1994, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Enfield as of December 31, 1994, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Enfield. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

John P. Carr
John P. Carr, Treasurer

Building Inspector/Health Officer

To those who are planning a building project in 1996 I encourage you to begin your paperwork early. No building permits will be issued without first obtaining approval from the Planning/Zoning Administrator. Building permits shall be obtained before beginning construction, alterations or repairs, other than ordinary repairs. Any person violating any of the provisions of the 1993 BOCA Code, as adopted by the Town, shall be guilty of a misdemeanor.

Building permits were issued in 1995 for 21 single family homes, 11 garages and barns, 12 mobile homes, 42 additions and renovations, 30 storage buildings and decks, 2 renewals, 5 demolitions, 25 plumbing, 27 electrical, 25 mechanical, 4 commercial and 35 certificates of occupancy.

CABO One and Two Family Dwelling Codes are the primary codes that Enfield uses. The purpose of this code is to provide minimum requirements to safeguard life and limb, health, and public welfare and the protection of property as it relates to these safeguards by regulating and controlling the design, construction, prefabrication, equipment or appliance installation, quality of materials, use and occupancy location and repair of detached on- or two-family dwellings. Also the purpose is to further standardize requirements by using a compilation of data from the following national model codes:

BUILDING: BOCA National Building Code, Standard Building Code, and Uniform Building Code;

PLUMBING: BOCA National Building Code, Standard Building Code, and Uniform Building Code;

MECHANICAL: BOCA National Mechanical Code, Code for the Installation of Heat-Producing Appliances, Standard Gas Code, Standard Mechanical Code, and Uniform Mechanical Code;

ELECTRICAL: National Electric Code.

Code books are available for viewing at the Enfield Public Library during regular hours. Applications for permits may be obtained at the Selectmen's Office.

If you need help or have any questions please call 632-4067. If I am not in please leave a message and I will return your call. Questions answered now can prevent delays later. Office hours are 8:00 am. to 4:00 pm. or by appointment.

We are experiencing a migration of rabies from the South to the North primarily by raccoons, and from the North to the South primarily by foxes. The State Public Health Division has reported 152 cases of confirmed rabies for 1995. This is compared to 220 cases in 1994 and only 10 in 1992. If you suspect an animal is rabies, contact your local veterinarian or Enfield animal control officer immediately.

As Health Officer I have assisted in many repairs and replacements of failed septic systems. I have also inspected licensed day care centers and foster homes.

Please help to keep our town a place that we can be proud of.

Again, if you need help or have any questions please call me at 632-4067, stop by to see me on Tuesdays between 8:00 am. and 4:00 pm. or call and make an appointment for a time convenient for you.

Respectfully submitted,

Howard S. Adams
Building Inspector/Health Officer

Carl Patten Bridge Committee

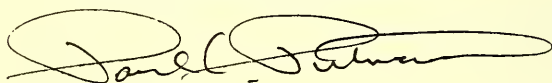

To date, the substructures of the bridge have been completed, including concrete encasement of both piers and stone riprap in front of each abutment. The wing walls have been cut down and back in order to accommodate the wider bridge. Grout pads for the steel beams have been placed on the piers and abutments.

A change order was accepted for construction modification of the original design by the New Hampshire Department of Transportation. This design change included encasement of pier 1 to match pier 2 and to eliminate patching the abutments. The change saved the project \$8,106.00, thus adjusting the contract price from \$428,355.00 to \$420,249.00.

It has been indicated to us that the steel will be ready for delivery by the end of March, with construction to resume April 1, 1996. Target project completion is anticipated to be late July 1996.

We have at this time reached an impasse with AT&T regarding the fiber optics that have to be relocated in order to remove the underpass. The New Hampshire Department of Transportation is at this time negotiating with AT&T to resolve this issue.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Paul C. Putnam", with a large, sweeping flourish at the end.

Paul C. Putnam
Secretary

Board of Cemetery Trustees

The State of New Hampshire amended the Revised Statutes Annotated (RSAs) to transfer responsibility of the Town's cemeteries to the Cemetery Trustees rather than the Selectmen. The Board consists of three (3) trustees, one as chairman and one as secretary. No one ran for these elected positions on the 1995 March ballot. The write-ins were contacted. Mary Bailey accepted the three year position, Howard Walton the two year position and Fred Altvater the one year position.

We had our first meeting June 27, with Tim Jennings, to go over the RSAs pertaining to cemeteries and to learn what was required of the Trustees.

Fred, as the one year trustee, is the chairman, and Mary Bailey is the secretary.

One of the first orders of business was to write a cemetery ordinance for the town. This was completed in November and after a public hearing on November 29, the ordinance came into effect January 1, 1996. A copy can be obtained at the Town Office or from one of the Trustees.

Duncan Baillargeon, Sexton, and Randy Melendy gave us an interesting and informative guided tour of sixteen cemeteries in August.

Two major goals for 1996 are to acquire land for a needed cemetery, and to begin the major task of having our current cemeteries surveyed and fences installed where there are none, as required in the RSAs.

Respectfully submitted,

A handwritten signature in cursive script, reading "Fred Altvater".

Fred Altvater
Chairman

Enfield Conservation Commission

With eighteen different logging jobs occurring within the Town this year, the Intent-to-Cut Committee has been very active. The Conservation Commission attempts to offer as much information and assistance as possible to landowners considering a potential timber harvest. To this end, the ITC Committee has compiled a letter of suggestions for the landowner to consider before entering into an agreement with a timber harvesting contractor.

Five regular and one expedited application for dredge-and-fill permits were reviewed. Some recommendations were made to the N.H. Wetlands Board concerning these applications.

The Selectmen appointed the Commission as the overseer of the restrictions that the N.H. Wetlands Board set for work at the McConnell Road well sites. One requirement was to set aside three acres in another part of the same wetland area to be a compensating conservation area. The three acres are located off the Lockehaven Road near the recycling center.

The Bicknell Brook Trail, which begins and ends at the parking lot just off the Grafton Pond Road, saw a great deal of use this year. Alan Strickland worked hard during the year to keep the trail open. Clearing the blow-down trees from the trail was his greatest concern. Alan has suggested additional areas within the Town for future walking trails.

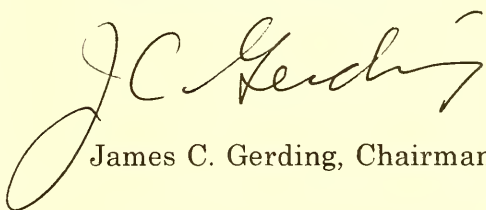

The Natural Resources Subcommittee has made available a list of 52 historic sites, the work of the Bicentennial Commission, and a map of the Town cemeteries made by Duncan Baillargeon. The committee has also listed and mapped the location of 15 scenic spots around Enfield. This is now a part of the revised Master Plan.

Acting as agent for the Upper Valley Land Trust, the Conservation Commission reviewed three parcels of land which had been placed in conservation easements under supervision of the Trust. It is contemplated that this arrangement will continue.

At its April meeting the Conservation Commission heard guest speaker Ned Connell, of the Upper Valley Lake Sunapee Regional Planning Commission, explain the new Geographic Information System computerized mapping. He pointed out several uses of the System to members of the Commission and planners from neighboring towns.

Looking back on a busy 1995, the Commission hopes that the activities started in that year will be continued and expanded into the next.

Respectfully submitted,

A handwritten signature in cursive script, reading "JC Gerding". The signature is written in dark ink and is positioned above the printed name.

James C. Gerding, Chairman

Enfield Enhanced 911 Committee

The Enfield Enhanced 911 Committee was established in 1993 by the Board of Selectmen to help the town to comply with the new improved statewide Emergency 911 dispatch system.

The committee has accomplished much this past year. The committee proposed new road and street names that would eliminate overlapping names like Lake St. and Lake Dr. along with directional names like East Hill Rd. and North Main St. Segmented streets that are essentially the same street were merged into one street like School St. and Prospect St. are now Rte. 4. Most street names did not change.

In April the Selectmen held a public hearing and adopted the Naming and Numbering Ordinance which includes a town Street Name Master List. This past fall new street signs were placed reflecting those changes. The town is currently using the new street names and town residents should do the same. Maps with the current street names are printed in the town of Enfield Directory of Services available at the town office and many other locations around town.

With the street names in place the tedious task of numbering each residence and business in town began. The State Bureau of Emergency Communication assisted by providing maps and address number plotting with the use of a global positioning system. They have provided preliminary address numbers for every residence and business in town which are currently being reviewed and matched with property records and telephone addresses. The project is scheduled for completion sometime in the spring of 1996 when property owners will be informed of the new street addresses by letter. Property owners will then have the task of placing the correct address numbers on their properties according to the ordinance. It is important to note that most address numbers will change and to insure emergency services these new numbers must be posted properly.

Respectfully submitted,

The Enfield Enhanced 911 Committee

Enfield F.A.S.T. Squad

It was a busy and exciting 1995 for the Enfield FAST Squad. We ended the year with 261 calls. One of these calls involved the use of the Dartmouth Hitchcock Air Response Team (DHART) Helicopter.

At the 1995 March Town Meeting the taxpayers approved two warrant articles. The first was for the purchase of the Train Station on Depot Street and the second for necessary repairs to the building. This building will be used to house the Enfield Ambulance and hold monthly FAST Squad business and training meetings. We would like to thank the taxpayers for their overwhelming support.

Construction is well underway. As with any project, there is a lot to see to. None of this would be possible if it were not for the volunteer help. This help not only came from the FAST Squad members, but also from residents of the Town. A big thank you to all who gave a hand.

In April we held another very successful community CPR course. We look forward to doing another one in the spring of 1996. We encourage everyone to take this life saving course.

We had three of our members who had to recertify at the EMT Basic level. They had to attend a 24 hour refresher course and successfully pass the practical and written exams. Congratulations to Joe Labrecque, John Markowitz and Aura-Lee Crandall.

We had the privilege of adding new members to our Squad this year. We had 6 new members come on board throughout the year. We welcome them all and hope they have a long and enjoyable time with the FAST Squad.

If anyone is interested in becoming a part of our Squad please contact any Squad member for information. If someone is already certified as an EMS provider, please don't hesitate to call, we're always looking for help.

In closing we would like to thank all who donated to the FAST Squad over the past year. Your contribution is used to purchase equipment and allow us to continue some life saving programs.

The following is a list of Enfield F.A.S.T. Squad Members:

Officers

Polly Laughlin	President
Raymond Dauphinais	Vice President
Erin Hammond	Secretary
Charles Harrington	Treasurer
John Markowitz	Training Officer

Members

Diana Albanese	Jeffrey Egner
Scott Cooney	Jason Hill
Aura-Lee Crandall	Pauline Hill
Justin Cutting	Joe Labrecque
Roger Dauphinais	John "Jan" Largent III
Jeff Densmore	Shawn Marchetti
Barbara Dow	David Rancore
Duane Egner	Suzette Westover

Respectfully submitted,

Pauline Laughlin

Carbon Monoxide Incidents	8	6
Dumpster Fires	0	1
Other	0	1
Total	121	183

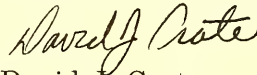

Union Street Station

In 1995 the fire department has been working hard for the town. The addition in front of the Union Street Station is now in the final stages, and the back addition is almost finished. The fire department is nearing completion of the sprinkler system, which will allow the station to be entirely sprinkled.

1995 has also been a busy year with an increase in calls. The fire department has responded to 183 calls in '95; 62 more calls than in 1994 and 27 more calls than in 1993.

We have also lost one of our own. In 1995, we are sorry to report the passing of Bob Packard, Sr. We will deeply miss the smile that Bob always had, and give our best wishes and prayers to his family.

Respectfully submitted,

David J. Crate

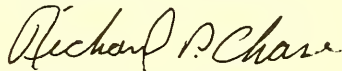

Chief, Enfield Fire Department

Enfield Center Station

The Enfield Center Fire Department members added greatly needed bathroom and shower facilities to the Center Fire Station.

The Selectmen provided \$5,200 for materials. The Center members and friends provided all labor and construction equipment to make this project possible.

Respectfully submitted,

Richard P. Chase

Assistant Chief

Enfield Public Library

Library usage and circulation continued at steady pace during 1995. The books-on-tape collection has been of particular interest to patrons. These tapes are convenient and provide a method of enjoying favorite authors and stories while simultaneously accomplishing other tasks.

A generous gift to the Library allowed the purchase of microfilmed copies of the Enfield Advocate from 1894 to 1904. This was an important acquisition due to the deteriorating condition of the original bound volumes in the historical collection.

Microfilming is a proven method of preserving newspapers and magazines in compact form and removes the wear and potential damage associated with handling original manuscripts. With an increasing interest in historical research and material the Library commenced the microfilming of "*Your Hometown Messenger*." Currently copies for 1993 and 1994 are available; and copies for 1992 and 1995 will be completed during the coming year.

The Library was pleased to welcome Patricia Carney to its staff in July; and to announce joining the *New Hampshire Automated Information System (NHAIS)*. This system allows the Library to provide faster and more efficient Inter-Library loans for patrons.

A special thanks goes to the Enfield Mascoma Lioness for their gift; to the Aid Association for Lutherans for their assistance during the summer book sale and to the Book Lady for her continued support. As always the Library is indebted to its volunteers: Becky Powell, Vi Leonard, Martha Lorimer and Judy Kmon.

Marjorie A. Carr
Librarian

Enfield Planning Board

In 1995, the Planning Board worked with many property owners on a variety of projects. The board approved one Major Subdivision, three Minor Subdivisions, three Boundary Line Adjustments, one Home Occupation, seven Site Plan Reviews, twenty-three town driveways and discussed nineteen conceptual plans. In addition, the board reviewed six state driveways permits, one site specific permit, five wetlands applications and twenty two intents to cut.

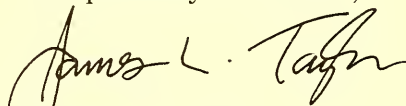

In June the Planning Board voted to adopt the amendments to the town Subdivision Regulations which clarify certain sections and tailor application requirements to the different types of applications that can be filed.

The Planning Board with the assistance of Lobdell Associates Inc. and other town boards and departments revised and adopted the Town Master Plan which sets the land use goals of the town for the next ten years. The board also has been working on some amendments for the Enfield Zoning Ordinance to be voted on at the 1996 Town Meeting.

Two new board members were appointed as well as a new Planning/Zoning Administrator. Tim Lentine finished out his term completing seven years of dedicated service to the board.

The Planning Board holds meetings on the second and fourth Wednesdays of the month at 7:00 p.m. in the Police Facility conference room. The Planning/Zoning Administrator has office hours Tuesdays 9:00 a.m. to 3:00 p.m. and Fridays 9:00 a.m. to 1:00 p.m. or at other times by appointment. The Planning Board consists of seven appointed members and a member of the Board of Selectmen.

Respectfully submitted,

James L. Taylor
Planning/Zoning Administrator

Enfield Police Department

Because of our ever changing society, the increasing calls for service and the demands of our criminal justice system, it was necessary to reorganize our efforts. In the past our small department was relegated exclusively to a patrol function, responding to crimes and incidents. Our investigations and follow-up actions were rather limited. To increase our proficiency the department has been reorganized into a patrol division headed by Sgt. Scott Thompson and an investigative function performed by Det./Sgt. Richard A. Crate, Jr. We feel that our assertive patrol effort coupled with our determined follow-up on criminal matters has impacted criminal incidents. It is gratifying to report that there were only six burglaries reported during the year and that five have been solved.

In addition to investigating criminal incidents, Det./Sgt. Crate shares the patrol function with the Chief during the day shift and conducts the DARE (Drug Abuse Resistance Education) program at the Indian River School. With DARE, the Law Enforcement Cadet, the Juvenile Diversion Committee and other programs the department champions efforts geared towards crime prevention.

The adoption of the wage and salary study conducted by the New Hampshire Municipal Association will greatly enhance our professionalism for it allows a career path for department members. This new wage plan will serve to retain proficient officers and should eliminate the costly attrition of officers to other departments after being trained and equipped by our tax dollars. Because of mandated training, the costs to prepare a newly hired officer are in excess of \$10,000.

We wish to express our sincere appreciation to those businesses, civic organizations, and individuals who greatly assisted us during the past year. These special thanks go to Tinkham's Store, the Movie Market, Lapan's Insurance, Shaker Valley Auto Center, Family Pharmacy, Evan's Expressmart, The Architectural Studio of David McIntire, NH Chapter F of the Gold Wing Road Riders Association, K's Video, Enfield Hardware and Supply, Great View Roller Skating Rink, Enfield House of Pizza, Cummings Yellow Barn, Don Crate & Sons, Cathi & Don's Country Store, Enfield-Mascoma Lions Club, Enfield Lionesses, Mount Calm Grange, Canaan Lions Club, Social-Summit Lodge #50, F&AM, and Postmaster

Evelyn Palmer. Also noted are those members of the Enfield Juvenile Diversion Committee who have devoted considerable time and energy to the youth of our community. Members include Joyce Osgood, Paul Mirski, Earl Brady, Leafie Cantlin, Diane Croteau, Wally Andrew, Kevin Lary, Kathy Ford, Mary Bailey, Ellen Williams, Dimitri Gerakaris, and Sandy Fitzpatrick.

Respectfully submitted,

Peter H. Giese, Chief of Police

Department of Public Works

1995 proved to be one of the busiest years in memory for your public works department. However, by combining several formerly semi-independent Town departments into a public works team, we were able to take advantage of efficiencies in management, labor, and equipment to better meet our mission of providing our residents, visitors, and business community with well maintained public roads and bridges, parks, cemeteries, buildings, water and wastewater systems, and solid waste services, for the least cost possible.

In addition to road drainage improvements, culvert replacements, and other more routine maintenance work, the final phases of reconstruction of Crystal Lake and Jones Hill roads and several additional sections of Lockehaven Road were completed by the highway crew, led by Joe Lashua. The highway crew also completed the sitework for the renovated Huse Park, the Shakoma Beach building, the parking lots at Whitney Hall and the Union Street Fire Station, and reconstructed the High Street sidewalk.

The cemetery and grounds crew, ably led by Duncan Baillargeon, set new standards this year in the cleanliness and maintenance of the Town's public grounds. In the cemeteries, many headstones were reset, settled graves were re-filled and landscaped, tree trimming work was completed, and fences were repaired and painted.

The new recycling center captured just over 200 tons of recyclable materials from the waste stream, the highest yearly total ever for the Town. The sale of recyclable material, plus the avoided costs of landfill tipping fees, paid for the cost of operating the collection center. Your support and participation on recycling will help us meet our 1996 goal of 225 tons. Please pay us a visit to learn from Bruce Murray, lead attendant, just how easy it is now to recycle.

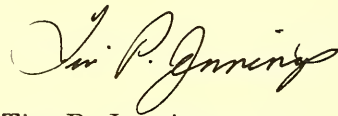

The new Town well came on line in early summer and has been pumping high quality artesian well water to the municipal water system, alleviating a nearly 10 year moratorium on new water hook-ups. The advancement of commerce and industry in our Town should be aided by this significant new resource.

The water main on the Main Street bridge was replaced, restoring adequate fire hydrant service to the center of the village. Scott Clang, our water and wastewater operator, completed some outstanding experimental work in reducing wastewater odor problems which have resulted in significant cost savings.

Significant repairs or additions to Town buildings included new roofs for the Huse Park pavilion and Maple street storage building, exterior repairs to Whitney Hall, a new fueling station installation at the highway garage, and completion of the soil remediation at the highway yard.

You have a highly motivated and skilled public works team working for you, and we appreciate the support and encouragement given to us by the townspeople this year. We are always looking for ways to become more efficient and to improve the quality of the services we provide for you, so please give us your constructive suggestions. I think I can speak for the rest of the department when I say that it is truly a privilege to serve the community as we do.

Respectfully submitted,

A handwritten signature in black ink, reading "Tim P. Jennings". The signature is written in a cursive, flowing style with a large initial "T".

Tim P. Jennings
Assistant Director of Public Works

Enfield Recreation Commission

1995 was a great year. We had a good turnout at the Easter Egg Hunt. The children came in three different groups at three different times during the day. It worked out great for everyone. There was no confusion on where they needed to go to find their eggs and the younger age group was able to roam the field without confusion from the older age groups.

A great time was had at the Halloween party. There were games with prizes given, a costume contest, snacks, crafts, and a bag of treats given to each child.

Many thanks to everyone involved with the improvement to Huse Park. It could not have been accomplished without all the support from the community. It is a real joy to see all the children enjoying themselves on the new play set. It is an investment that will be enjoyed for years to come.

The summer program was a great success. We had a great turnout. A lot of positive feedback from parents was given at the end of the program.

Again, many thanks to everyone involved with all of our projects.

Respectfully submitted,

Deb Aldrich, Chairman

Tony Aldrich

Jane Smardon

Mark Sharkey

Shaker Recreation Park Development Committee

"IF YOU BUILD IT, THEY WILL COME"

The mission of the Shaker Recreation Park Development Committee is to develop a year round recreational park to promote health and recreation for all ages in Enfield. Since Town Meeting 1995 the Shaker Recreation Park has been surveyed, the design, plan and construction specifications have been coordinated, permit applications and bid package prepared. Haying, brush cutting and clearing, erosion control, fence removal and fundraising have been done. Tassinari Corporation has been contracted to retitle and strip topsoil, level and finish grade Phase 1 returning six inches of topsoil, yolk rake, seed and mulch the project. Construction of the project began in September 1995 and wet weather in October and November prevented completion of the project's contracted scope of services. This work is now slated to be completed in early 1996.

More than 100 community members contributed in excess of 670 man-hours. We estimate \$25,890 has been donated in time, services and gifts with an additional \$4,365 raised through fundraisers and grants. The October Skate-a-thon at Great View Roller Rink and Lionness bake sale raised over \$3,200. Mascoma Savings Bank awarded us a \$1,000 matching grant to purchase a backstop. The land donation is valued at \$44,900. Thus far the total value of donated and fundraised goods and services is over \$75,000. We have worked diligently and prudently to maximize the community involvement thus getting more value for each dollar.

We are grateful for the \$20,000 approved at last year's Town Meeting which enable us to begin work and wish to express our sincere appreciation to all who volunteered their time and expertise to this project. The next year promises many opportunities for volunteers to become involved. It is never too late to join us and others in our community working to make this project a reality.

Respectfully submitted,

Jane Plumley

Jane Plumley, Chairman

Enfield Zoning Board of Adjustment

In 1995 the Zoning Board of Adjustment heard appeals dealing with a variety of issues including water facilities, bus shelters, commercial fuel facilities, lot sizes, signs, office buildings and non-conforming uses. The board granted three variances, five special exceptions and one appeal of an administrative decision in addition to denying one variance request, one request for rehearing and one appeal of an administrative decision.

A new Planning/Zoning Administrator started in February and has been busy taking applications for the board, reviewing permits and answering a wide variety questions relating to the Enfield Zoning Ordinance. Also, many complaints are resolved by the Planning/Zoning Administrator most without having to go before the board as an appeal. Anyone who plans to build or use their property differently should discuss their plans with the Planning/Zoning Administrator first to make sure in conforms with the Enfield Zoning Ordinance.

The Zoning Board of Adjustment consists of five elected members and up to three appointed alternate members. The board meets on the second Tuesday of every month at 7:00 p.m. in the Police Facility conference room. The Planning/Zoning Administrator has office hours Tuesdays 9:00 a.m. to 3:00 p.m. and Fridays 9:00 a.m. to 1:00 p.m. Other times can be arranged by appointment.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "James L. Taylor". The signature is fluid and cursive, with the first name "James" and last name "Taylor" clearly distinguishable.

James L. Taylor

Planning/Zoning Administrator

Advance Transit, Inc.

In 1995 Advance Transit saw the fruition of several projects that had been in the planning stages for years.

AT completed its first year of occupancy at its new headquarters in Wilder. The new facility helped to launch Billings Commerce Park and brings Advance Transit's administrative, operations, and maintenance staff together under the same roof. It also provides garage storage for the bus fleet.

Early in 1995 AT replaced six buses with very high mileage with comfortable new buses, all of which are equipped with wheelchair lifts. Two more buses will arrive at the beginning of the new year and four more will be delivered some time during 1996. This will complete the total replacement of the fleet and will make the scheduled bus service 100% handicapped accessible. In addition to wheelchair lifts, the buses are equipped with comfortable seating, air conditioning, and lighted destination signs that make it much easier for passengers to identify the correct bus.

In the Fall routes and schedules were revised following the completion of a study of the bus system that was sponsored by the Vermont Agency of Transportation. Schedules to Enfield and Canaan were essentially unchanged. Attractive new schedules were printed and have been widely distributed. Employers and businesses - if you would like a quantity of our schedules please give us a call. We also have display racks available.

If you don't live near a bus route and would like to save money on commuting costs by joining a car pool or van pool, Advance Transit offers Upper Valley Rideshare. Call our office at 802-295-1824 or call 1-800-685-RIDE. We will take your name and address and other pertinent information and will add you to our growing database. We will then offer you referrals for potential commuting partners. All information is kept confidential.

Advance Transit carried over 134,000 passenger trips during 1995. Our main objectives for 1996 are to attract new passengers and to complete the fleet replacement.

Your support of Advance Transit is very valuable and is definitely appreciated.

Van J. Chestnut
Executive Director

Report to the Citizens of Council District One

As Executive Councilor for District One, it is a privilege for me to communicate with the citizens of Enfield.

The five member Executive Council is at the top of your Executive Branch of Government. The NH House and Senate make laws and pass into law a budget. It is then the constitutional and lawful duty of the Governor and Council to carry out those laws and budget. The entire Judicial Branch of judges are all nominated by the Governor and confirmed by the Council.

The Governor and Executive Council also are required by law to nominate and confirm citizens to various volunteer boards and commissions. If anyone is interested in serving, they should forward their resume directly to Governor Merrill or my office at the State House. To obtain a list of these boards and commissions call 271-3632.

Recently passed House Bill 32 reorganizes most of the Health and Human Services Department of NH State Government. I have asked Health & Human Services Commissioner Terry Morton to appoint at least 15-20 people from each county to act as advisers to this office as commission. If you are interested in serving, please call his office directly 1-800-852-3345 ext. 4331 or write to his office on Hazen Drive, Concord NH 03301, expressing your interest.

There is still about \$270,000 waiting to be matched by local dollars in the Economic Development Matching Grant Program and \$275,000 waiting to be matched in the Joint Tourist Promotional Program. Both of these programs can be accessed by calling 271-2411.

Some \$9,000,000 is in the Community Development Block Grant Program. A town, county regional economic development council or other regional group is eligible to apply to the Office of State Planning.

I don't look for much in the way of new highways, bridges and transportation projects due mainly to lack of money. Hopefully, we'll be able to keep in good repair the transportation system we've got.

A brochure listing technical, financial & community resources for citizens, business & municipalities can be obtained by calling 271-2411.

It is a pleasure to serve you.

Raymond S. Burton
Executive Councilor

Report of Town Forest Fire Warden and State Forest Ranger

In the calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 Fire Statistics

<u>Forest Ranger Reported Fires</u>		<u>Fires Reported by County</u>	
Number of Fires Reported to State for Cost Share Payment	465	Belknap	11
		Carroll	50
		Cheshire	39
Acres Burned	437	Coos	17
		Grafton	26
Suppression cost	\$147,000+	Hillsborough	71
		Merrimack	49
<u>Lookout Tower Reported Fires</u>	555	Rockingham	106
		Strafford	78
Visitors to Towers	26,165	Sullivan	18

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

"REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!"

John Q. Ricard
Forest Ranger

David J. Cate
Enfield Forest Fire Warden

Grafton County Commissioners' Report

During FY 1995, funds received exceeded the budget by \$163,615.52 for a total of \$14,981,914.52 in actual County revenues. This was primarily due to the receipt of Medicaid Proportionate Share Payment, given by the Federal Government to partially offset the cost of serving a disproportionate share of Medicaid recipients at the County Nursing Home.

Actual expenditures total \$14,598,041.22 which was \$220,257.78 less than had been budgeted. This includes \$378,525 paid to the State of New Hampshire to enable the County to receive \$757,050 in Medicaid Proportionate Share Payment, for a net receipt of \$378,525 which was used by the County to start a Nursing Home Capital Reserve Account in the amount of \$200,000 and the balance going to surplus to help reduce the amount to be raised by County taxes. Expenditures for Medical Referee, Dispatch Center, Grafton County conservation District, and Outside Counsel were all a little overexpended based on what was budgeted, but all other County departments were well under their budgeted amounts.

The bottom line for FY 1995 showed that revenues exceeded expenditures by \$383,873.30 leaving the County in a sound financial position at the end of its fiscal year. The Commissioners feel extremely proud of this financial picture, which exemplifies good management by all County department heads, both elected and appointed.

FY 1995 was another busy year for the Department of Corrections. Admissions were up, although inmate days decreased slightly. The Electronic Monitoring Program continues to grow, and appears to be an excellent form of alternative sentencing, and now has expanded to include the Drug Freedom Program which is funded through a grant from the Attorney General's Office. Superintendent Bird continues utilizing many volunteers for a number of in-house programs.

The Grafton County Nursing Home has seen changes during the past year in the following areas: computer hardware upgrade, and adding a new part-time dietary aide to help serve meals. Our Staff Development Coordinator has implemented a "Quality Assurance" program in-house.

The Commissioners are extremely proud of the Whole Village Family Resource Center project, which continues on track, and hopefully will be completed by the end of the next fiscal year. We are certain it will benefit many citizens and their families in Southeaster Grafton County.

All other County departments were extremely busy during FY 1995. The County Treasurer did an excellent job investing County funds, and exceeded the budgeted interest revenue figure by \$55,177.78. The new County Attorney has done an excellent job in his office, and the number of backlog cases has been reduced drastically. Our Sheriff's Department and Dispatch Center continue to increase with activity, and remain as effective and efficient as always. Carol Elliott, Register of Deeds, and her staff also continue to be overwhelmed with work, and continue to do an excellent job and to generate a great deal of revenue for the County and the State of New Hampshire.

For FY 1995, the Commissioners concluded with preparation of the FY 1996 County Budget, which was adopted by the County Legislative Delegation in late June.

The Grafton County Board of Commissioners holds regular weekly meeting at the County Administration Building on Route 10 just north of the County Courthouse in North Haverhill, with periodic tours of the Nursing Home, Department of Corrections, County Farm, and Courthouse. The Commissioners also attend monthly meetings of the Grafton County Executive Committee. All meetings are public, with interested citizens and members of the press encouraged to attend. Call the Commissioners' Office at 787-6941 to confirm date, time and schedule.

In closing, we wish to express our appreciation to all staff members, elected officials, other agency personnel, and the public for their efforts in serving the citizens of Grafton County.

Respectfully submitted,

Barbara B. Hill, Chairman (District 1)
Steve Panagoulis, Vice Chairman (District 3)
Raymond S. Burton, Clerk (District 2)
GRAFTON COUNTY COMMISSIONERS

In 1995 Headrest realized twenty-five years of service to the Upper Valley. A comprehensive alcohol and drug treatment facility serving low income people, we offer drug and alcohol counseling and education to adults and teens, and consultation and referral to families affected by substance abuse. Our alcohol crisis intervention program allows for overnight lodging, non-medical detox, assessment, and treatment referral.

Headrest's Shelter Program offers temporary emergency lodging to homeless people referred by local police, hospitals, churches, and mental health centers, as well as transitional shelter for those folks returning to the mainstream from residential treatment programs.

Trained Hotline workers with hundreds of resources at hand have been unceasingly available since 1971 *to inform, educate and empower individuals and families to improve the quality of their lives*. Understanding, non-judgmental staff and volunteers listen carefully, lending emotional support, information and referral to callers 24-hours a day (448-4400). These special folks have expertise in handling crises involving the use of alcohol and drugs. Headrest is certified by the American Association of Suicidology.

In addition to Headrest's local (448-HELP) and toll-free Teen Hotline (800/639-6095), education/prevention programs such as *Teens Taking Charge For A World Without Aids*, *Peer Outreach*, and *H.O.P.E.S.*, an alcohol education group, are available to youth, parents, and educators.

Last year, seven Enfield residents were provided seventy-nine bed nights at Headrest; seven Enfield Teens participated in our *Teens Taking Charge* and *Peer Outreach* weekends; and one hundred forty-three calls from Enfield residents were answered by our Hotline.

As Headrest celebrates its twenty-fifth anniversary, 1996 brings with it the specter of cutbacks in funding for social services at state and federal levels, while greater individual economic concerns create increasing demand for Headrest services. We wish to thank the residents of Enfield for their ongoing support.

Senior Citizens Council, Inc.

The Board of Directors and staff of Grafton County Senior Citizens Council, Inc. work throughout the year to enhance the health and independence of our older citizens and to assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to obtain services such as home delivered meals, senior dining room programs, transportation, social work services, information and referral, health and educational programs, adult day care, recreation and opportunities to be of service to the community through volunteering.

During 1995, 299 residents of Enfield were able to make use of one or more of GCSCC's programs. These older adults enjoyed balanced meals in the company of friends in a senior dining room, benefitted from hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources by our lift-equipped buses, and found opportunities to put their talent and skills to work for a better community through volunteer service.

Services for Older residents of Enfield were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors.

GCSCC very much appreciates the support of the Enfield community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Carol W. Dustin
Executive Director

Upper Valley Lake Sunapee Regional Planning Commission

The Upper Valley Lake Sunapee Regional Planning Commission is a voluntary association of 31 towns. The Commission is concerned with the development of comprehensive plans for beneficial and balanced economic, environmental and social growth in the Region. It functions as a research, resource, and informational agency, and when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The Commission provides technical assistance to member communities in the areas of planning, mapping, community development, grantsmanship and grant administration. In addition, regional publications, such as our **Regional Profile**, regional studies, such as our Regional Transportation Plan, and regional projects, such as the Lake Sunapee Watershed Management Plan, are undertaken to the benefit of more than one community.

In the past year, services such as our Planning Board training series, and library which features maps, planning resources and US Census data, were available to all of our member communities. The following lists just some of the services which were provided directly to residents of Enfield:

- ▶ Inventoried all roads in Enfield and analyzed data in a road surface management study.
- ▶ Assisted the Planning Board in locating an evacuation specialist and fire risk assessor to aid in the review of a proposed propane storage facility.
- ▶ Held a series of workshops on the economic development potential of the Route 4 corridor.
- ▶ Used GIS to overlay a portion of tax map with hydric soils map to assist planner in determining whether a lot contained wetlands.

Our Commission looks forward to continuing to serve Enfield in the coming year.

Vicki Smith, Executive Director

Visiting Nurse Alliance of VT and NH, Inc.

This past year, home care and hospice services increased in Enfield by 51% over the prior year. The following services were provided in collaboration with the attending physician: 1825 Nursing visits, 570 Physical visits, 18 Speech Pathology visits, 141 Occupational Therapy visits, 22 Social Services visits, 2351 Home Health Aide visits, and 572 Homemaker visits for a total of 5499 visits.

The Hospice of the Upper Valley Volunteer Program served 4 families for a total of 184 hours. 14 Families were provided bereavement support.

The Family Health Services Program is available to young families in your community. This program includes a Well Child Clinic, a Women, Infants and Children (WIC) Program that provides nutrition education, food vouchers and health care referral sources to mothers and children from low income families, and a Home Visitor Program that provides professional support, information and understanding to parents who are struggling with the overwhelming task of raising children. The Home Visitor Program affords the nursing and family support staff an early opportunity to identify and support parents at risk of developing parent-child relationship problems and to develop a plan of care specific to individual needs.

Family Health Services included 31 Well Child Clinic visits and 182 Home visits for 45 children, and Family Support Services were provided to 2 families. Parents Anonymous Meetings were also provided.

139 WIC clients were served during 695 visits.

The local VNA office also conducts community clinics, flu clinics, and other health programs as requested.

We're very grateful to the Town for its continued support through the town appropriation for the care of persons who have no health insurance and lack the ability to pay for care.

Respectfully submitted,

Elizabeth J. David, RN, MPH
Chief Executive Officer

WISE thanks the people of Enfield for their support in 1995. Community support is vital for WISE to continue providing all crisis services **FREE** to clients. No one is ever turned away. WISE is the only agency of its kind in the Upper Valley and services are available 24 hours, 365 days per year. Many people we work with would have nowhere else to turn for legal advocacy, counseling or other emergency assistance if WISE services were not available.

The **Domestic Violence Program** provides services to educate women, men, children and teens of the Upper Valley that violence does not have to be part of their lives. WISE assisted 62 battered women and their children from Enfield last year (FY 1995 is July 1994 - June 1995).

Through the **Sexual Assault Program**, during FY 1995, 22 Enfield survivors of sexual assault received help at WISE.

In the past year our client numbers increased 40% overall which includes a 60% increase in our sexual assault program. We attribute part of this growth to our **Youth Awareness Program**. WISE provided 105 presentations on topics such as dating violence, sexual harassment, sexual assault and healthy relationships. WISE feels strongly about reaching this age group as **one out of ten teens** experiences violence in a dating relationship before the age of 20.

The number of clients shown does not reflect the multiple hours and variety of services provided to support out clients. Services may include: counseling, finding a safehome, helping to obtain restraining orders, providing transportation, support groups and advocating on their behalf with the medical, court, welfare and housing systems. WISE also provided non-crisis services such as helping with job problems, finding legal or medical advice to over 1,100 women.

The main reason WISE can do so much with limited financial resources is because of our dedicated volunteers. Every dollar provided by Enfield is multiplied three times by volunteer contributions. Volunteers donated a total of 9,519 hours in FY 1995.

WISE empowers victims of domestic and sexual violence to become safe and self-reliant through crisis intervention and support services. WISE advances social justice through community education, training, and public policy.

Town Meeting: March 14 & 18, 1995

By voice vote a motion was passed to dispense with the reading of the warrant.

ARTICLE 1. The Moderator declared the following chosen by ballot to serve for:

Three years Ilene P. Reed, Selectman
 Carolee T. Higbee, Tax Collector
 Greta Crilley, Library Trustee
 John P. Carr, Trustee of Trust Funds
 David J. Crate, Fire Ward
 Harry D. Auger, Zoning Board of Adjustment
 David Dow, Zoning Board of Adjustment
 Holly E. Sanders, Budget Committee

Two years Dominic Albanese, Budget Committee
 Keith D. Oppenneer, Budget Committee
 Donald E. Roberts, Budget Committee

One year William H. Hayes, Trustee of Trust Funds
 James C. Gerding, Budget Committee
 Walter C. Paine, Budget Committee

ARTICLE 2. 643 YES, 230 NO. In favor of the adoption of an exemption for the totally and permanently disabled in the amount of \$50,000 according to stated requirements.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$3,024,374 which represents the operating budget. Said sum does not include special warrant articles addressed.

109 YES, 90 NO. Article 3 passed as amended, by a hand vote: To see if the Town will vote to raise and appropriate the sum of \$2,979,374, which represents the operating budget. Said sum does not include special warrant articles addressed.

ARTICLE 4. Article 4 passed as printed, by a voice vote: Pursuant to a petition of twenty-five (25) or more legal voters: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) for the purchase of the building on Depot Street for use by the Enfield F.A.S.T. Squad, and for other municipal functions as the selectmen may deem appropriate and authorize the withdrawal of twenty-five thousand dollars (\$25,000) from the Municipal Building Capital Reserve Fund.

ARTICLE 5. Article 5 passed as printed, by a voice vote: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to complete renovations to the building on Depot Street.

ARTICLE 6. 72 YES, 106 NO. Article 6 failed, by a hand vote: To see if the Town will vote to discontinue the Locke Haven Cemetery Capital Reserve Fund and Lakeview Cemetery Capital Reserve fund, also known as the New Cemetery Land Acquisition Capital Reserve Fund, created in 1957, for the purpose of extension of or improvements to the Locke Haven and Lakeview Cemeteries.

ARTICLE 7. To see if the Town will vote to establish a Recreation Facility Capital Reserve Fund for the purpose of land acquisition for recreational purposes, for development of recreational facilities on existing Town property, and expansion of and capital improvements to existing recreational facilities, and to appoint the Board of Selectmen as agents to carry out the purposes of said fund. Further, to raise and appropriate the sum of forty-five thousand dollars (\$45,000) to be deposited in said fund. [These funds are coming from the old Lakeview and Locke Haven Cemetery Capital Reserve Funds and will result in no increase in the tax rate.]

An amendment passed, by voice vote, to eliminate the parenthetical statement from Article 7. A second amendment passed, 132 YES, 38 NO, by a hand vote, to reduce the money amount to \$20,000.

Article 7 passed by a hand vote, as twice amended, 104 YES, 76 NO.

ARTICLE 8. Article 8 was tabled by a voice vote: To see if the Town will vote to establish a Cemetery Capital Reserve Fund for the purpose of cemetery land acquisition and expansion of or capital improvements to existing Town cemeteries and to appoint the Board of Selectmen as agents to carry out the purposed of this fund. Further, to see if the Town will vote to raise and appropriate the sum of \$19,155 to be deposited in said fund.

ARTICLE 9. Article 9 was tabled by a voice vote: To see if the Town will vote to raise and appropriate fifteen thousand dollars (\$15,000) as a portion of the purchase price of a parcel of land owned by Sally Kinney, Tax Map 7 Lot 9, said land to be used for public recreational purposes, provided legal access is obtained and the Upper Valley Land Trust provides any and all additional funding required for the purchase of said land.

ARTICLE 10. Article 10 failed, by a voice vote: To see if the Town will vote to appropriate to the Conservation Fund as per RSA 79-A:25 II, 50% of the Town's yearly collection of the Land Use Change Tax, with an annual cap of \$5,000. As per RSA 36-A:5, such funds, by a vote of the majority of the Conservation Commission, shall be spent on conservation projects. Prior to the use of such funds for the purchase of any interest in real property, the Conservation Commission shall hold a public hearing with notice in accordance with RSA 675:7.

ARTICLE 11. Article 11 passed as printed, by a voice vote: To see if the Town will vote to authorize the prepayment of resident taxes and to authorize the Tax Collector to accept payment in prepayment of taxes.

ARTICLE 12. Article 12 passed as printed, by a voice vote: To see if the Town will vote to repeal the sewer ordinance adopted on March 14, 1989 and all amendments made thereto on March 14, 1990.

ARTICLE 13. Article 13 passed as printed, by a voice vote: To see if the Town will vote to authorize the selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 31:95-b.

ARTICLE 14. Article 14 passed as printed, by a voice vote: To see if the Town will vote to authorize the public library trustees to apply for, accept and expend, without further action by the governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 202-A:4(c).

ARTICLE 15. Article 15 passed as printed, by a voice vote: To see if the Town will vote to authorize the selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

ARTICLE 16. Article 16 passed as printed, by a voice vote: To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

ARTICLE 17. Article 17 passed as printed, by a voice vote: To see if the Town will vote to authorize the selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, pursuant to RSA 80:80, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks.

ARTICLE 18. Article 18 passed as printed, by a voice vote: To see if the Town will vote to authorize the selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the selectmen or their agent.

ARTICLE 19. Article 19 passed as printed, by a voice vote: To see if the Town will vote to authorize the selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 20. Article 20 passed as printed, by a voice vote: To hear the reports of agents, auditors, committees, or any other officers heretofore chosen and pass any vote relating thereto.

The above is not a complete copy of the Town Meeting minutes of March 14 & 18, 1995, but a record of the actual vote.
